DEATH OF MICHAEL FALLON .- MICHAEL FAL-LON, who was shot in his own house on Sunday evening, Nov. 10, by one of a squad belonging batteries of artillery and seven companies of cavalry.

The foregoing statement shows that while the Ohio troops in service are under twelve Brigadiers (excepting the Generals commanding Departments—one of whom, Rosecrans, is an Ohio General, in the regular army), only four are Ohio Generals, including R. L. Mc Cook, of the 9th Regiment, acting Brigadier.

The Brigadier-Generals in the volunteer service for the war appointed from Ohio, are ranking in the order of their names—if date of appointment fixes the rank: to Col. Cashinoron's Regiment, died yesterday morning, the 20th inst., from the effects of the wound. We trust that the promised investigation into the facts connected with this homicide to give it no harsher name, will now take place, and the result be made public. There is a suspicion in the public mind that the elaughter of FALLON was unjustifiable; let that suspicion be allayed, or the guilty party or parties be pun-

From Washington,

[Times Dispatch.] WASHINGTON, Nov. 19 .- Lord Lyons has no chaved like a diplomatist since the news that slason and Slidell were on their way to Fort Warren. Although necessarily silent in his official capacity, unofficially he is almost imper tinent in his conversation. He assumes that there can be no question between his govern-ment and ours for the reason that the United States must yield the point in the controversy and will disavow the act of Captain Wilkes, and must return Mason and Slidell to the bosom of the only power which seems heartly to desire the dismemberment of this Republic. Edward Everett, Edward M. Stanton and Reverdy Johnson have expressed the opinion that our right to take and keep Mason and Sli-

The representative of one power has openly declared that if Mason and Slidell had been taken from a Spanish ship he would have immediately demanded his passports.—Lord Lyon'is said to have assumed a menacing tone, and to have declared that the prisoners must be given up or ample reparation made for the offense offered to the dignity of the British crown. Nothing of the kind has been officially intimated, but in ordinary intercourse these expressions of disapprobation and hostility these expressions of disapprobation and hostility have unguardedly been made.

DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia, AND A SURE CURE FOR

All Mercurial Diseases. It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Walst, without injury to the most delicate persons; no change in habits of, living is required, and it entirely removes the discase from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and rostoring the parts afflicted to a healthy condition. This Band is also a mostpowerful Awri-Mancontai, agent, and will entirely relieve the system from the persusoious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.
